Individually we do bequeath:

I, David Baker, will my ability to get into trouble at least once every day in English to anyone who can think up that much meanness.

I, Joe Burnett, will my height to Roy Younker.

I, Carolyn Cochran, will my ability to be a model driver to Donna Fringer, providing she doesn't get caught.

I, Vangine Cunningham, will my ability to keep a straight face in Mr. Simon's class to Annie Duck.

I, James Dagen, will my luck of having school only 2 periods a day to anyone who can endure A.H.S. for $4\frac{1}{2}$ years.

I, Donna Dorr, will my seat in the library to anyone who feels like loafing a period a day.

I, Kenneth Dorr, will my ability to make noises and get away with it in second hour study hall to Merle Damery, providing he stays on the good side of Miss Ashbaugh.

I, Bert Fringer, will my friendship with the Ag Teacher to all Future Farmers.

I, Patsy Garrett, will my ability to be almost late for Shorthand and Office Practice to Donna Nicol.

I, Mary Howard, will my dribbling ability in basketball to Celie Blondiau.

I, Glenn Howse, will my ability to skip school and write my own excuses to Lyle Nicol, who has capabilities.

I, Barbara Markham, will my ability to get along with teachers to my brother, Art.

I, Mary McLeod, will my 7th hour English class to anyone who likes to study at noon.

I, Margaret McLeod, will my simple, unbleached hair-do to Sharon Jones.

TRUTH TAKES A HOLIDAY

Presented by the
SENIOR CLASS
April 13, 1956

Bud Walker	Bert Fringer
Tom Walker	David Baker
Pete Moss	Larry Harper
Rebecca Bassett	Vangine Cunningham
Mrs. Walker	Jessie Stevens
Aunt Harriet Bassett	Doris Mink
Posey Painter	Mary Howard

Place: The dining room of the Walker farm home
Time: A spring day

Bud Walker is a hard-working young man, running his mother's farm with no help from his good-for-nothing older brother, Tom, who is mixed up with a worthless bootlegger. Tom is being sought by the law and was shot in the arm. Mrs. Walker is partly to blame for Tom's attitude as she protects him constantly.

When Rebecca and her Aunt Harriet come to visit for the day, Tom tries to charm Rebecca by representing himself as a man of virtue and telling that Bud is lazy. When Aunt Harriet's money is gone Tom accuses Bud of stealing it. Rebecca then believes the worst of Bud, whom she was engaged to before going to California.

Pete, the farm helper, and Posey, his girl friend, in between love scenes try to solve the mystery of the disappearance of the money and Pete "gets the clue" that leads to the accusation of Tom. Tom, thinking the police are after him, accidentally shoots Bud, who has decided to leave the farm. The near-tragedy opens Tom's eyes to his own lack of character and Rebecca's eyes to the fact that it has been Bud she really loved. The play ends happily, even for Pete and Posey.

Angy and Jerry have been writing to two sailors, Gadget and Jim. When the boys get a leave they decide to visit the girls. The girls, being much younger than they had led the boys to believe, dressed in their sister's clothes to make an impression.

The happenings that follow, such as: the arrival of Commander Stone's daughter and, later, Commander Stone himself; the apparent "drowning" of the girls; the wrestling practice of Cora and Helga; the gifts brought by the sailors for the girls; all help to make the play fast moving and enjoyable.

Illiopolis came roaring back in the third period to score twice. Johnny Roberts passed to Gene Dial for a TD on a play that covered 30 yards. Later in the same period, the 240-pound fullback went over from the five yard line and he followed up with a plunge for the extra point.

Mt. Zion Crushes Comets In Second Half, 40 to 7

Trailing, 7-6, at halftime, Mt. Zion poured over five touchdowns in the second half last night to crush Assumption, 40-7, at Mt. Zion.

CLASS PROPHECY

Taylorville, Illinois
February 1, 1966

Dear Sandy,

I'll bet you can't guess who I ran into the other day--Florence Bee just coming from the airport where she had been making test flights in those new Jets. She was telling me that David Baker, now Professor of Science at the University of Illinois, was planning a trip to the moon this month.

Oh, yes! Doris Mink has just opened a reducing salon, and Mary McLeod seems to be her best customer. She weighs almost 100 pounds now and thought she had better start reducing.

Got to go now. Vangine Cunningham wrestles Fearless Anne for the Championship in an hour.

Have you seen or heard from Patsy and Paul?

As always,

Beverly Coventry

Decatur, Illinois
March 1, 1966

Dear Bev,

Did you see in the paper that Carolyn Cochran has just broken all records of speed for men and women drivers in her hopped-up '55 Dodge?

Last week while I was in Assumption I saw Patsy and Paul Nave with their six red-haired children. They were there for a carwreck convention. The school board is trying to make Paul buy a new stop sign for the one he tore down in '56.

Have you heard about Glenn Howse's newest invention? It's an H-Bomb that you can carry around in your pocket. It's a very handy thing. I must get one to get my husband off on a good start in the mornings.

Well, I have to go now. Barbara Markham's TV Program is coming on in a few minutes. She tells you all about what to do and how to do it.

Did you see James Dagen the last time he was home on leave?

As ever,

Saundra Francisco

Taylorville, Illinois
May 1, 1966

Dear Sandy,

Yes, I saw James Dagen. He has decided to make a career of the Service. Boy, he sure looks good in his uniform with all its stripes.

The most interesting case is coming up next week--you must come down for it! "Butch" Harper, now Sheriff of Assumption, has put Bill McLeod in jail for shooting firecrackers at the town meeting. And guess who his lawyer is! Joe Burnett! He has become an important lawyer and works only on very important cases.

Guess who moved next door to us??? It's Mary Howard Himes and her husband Jim. Jim is owner of the Himes' Research Farms, Inc., and Mary is the bookkeeper for the enterprise.

By the way, how is your football team coming. In your last letter you said you only needed 2 more to complete it. Is Staley's going to sponsor them?

As always,

Bev

Decatur, Illinois
July 1, 1966

Dear Bev,

I got your letter of last month and was surprised to hear about Donna Dorr. I thought she was a different type than a jockey in the horse races. I'm glad to hear she beat Dave Rawlings in the race for the GOLDEN SHOE. I'll bet that was really a struggle.

From what I hear, Bert Fringer is now a great veterinarian and works on President Kenneth Dorr's pigs, Wimp and Mousey.

Are you going to the Fall Festival? Jessie Stevens will be there with her amazing snail races--also Margaret McLeod with her trained fleas.

By the way, isn't this the year your second set of twins start to school? You keep it up and you'll be able to have your own paper mill just like the one their Dad works in and you can keep it a family affair.

As ever,

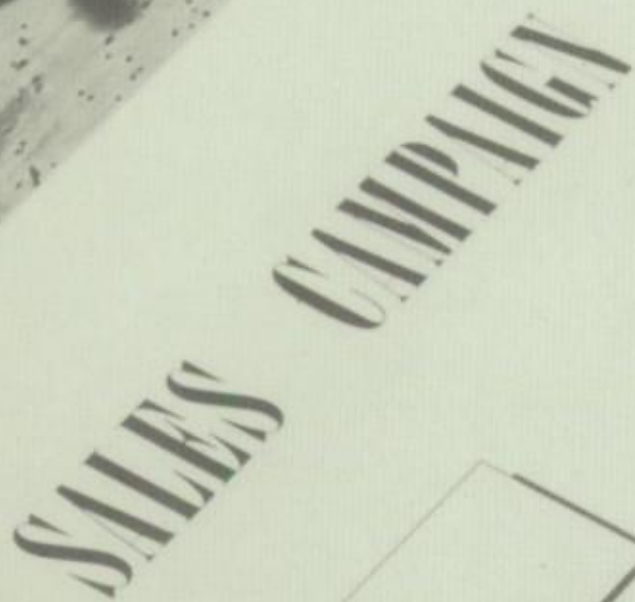

Sandy
